Choose your electronic purse from the list above. Click on the circle beside the logo of your choice. In this illustration, we use PayPal as our example. As you can see, PayPal logo has a dot (.) beside. If you will not click the circle of your choice, then by default you are in “advcash”. Therefore, it is a must to click the circle beside the logo of your choice.

➤ Step No. 2

You will be prompted to **create a personal purse with PayPal** because you chose PayPal in Step No. 1. Note that you need to ignore **Step No. 2** and proceed to the next step if you already have PayPal existing account.
